In addition to the restricted payments and receipts listed, a Mara collection in September (£26) and the Children's Society boxes (£420) were made in the parish which do not form part of the PCC's income. There was no door to door collection for Christian Aid in 2014.

The PCC agreed to transfer the interest and dividends from the Fabric Fund to the General Fund in order to keep the Common Fund shortfall to a minimum. The capital is designated for the upkeep of the fabric of the church.

- The 8% National Savings Stock matured in September 2013 and was re-invested in the CBF Deposit fund as part of our Fabric Fund
- The Trust Funds held in CBF accounts by the Wakefield Diocese have now been wound up and transferred to the St. Edward's CBF deposit account. The remaining 3½ Government War Stock was transferred to the CBF deposit account when the new diocese was formed. Dividends from this stock were paid into the general fund.
- The following assets are recognised but not necessarily valued in the Statement of Assets and Liabilities: The church itself and movable church furnishings which require a faculty for disposal.
- 11 The deficit for the year would be £5205 without the transfers from the Fabric Fund
- By paying our Common Fund in full in 2013 the diocese wrote off our Common Fund arrears at the end of 2013. However, since we are unable to pay the "share" in full we have already started to run up another deficit.

Approved by the PCC on 10th February 2015 and signed on their behalf by Mr John Gostelow (PCC Treasurer)
